***USA Swimming registration is the responsibility of the applicant and is required for insurance purposes. You must have a current USA Swimming registration in order to attend TIDE practice.**

College swimmer membership covers holiday breaks and summer training for the current competition season, provided the swimmer is registered with USA Swimming. Those college swimmers interested in training only during the summer may elect to register with USA Swimming on a **seasonal basis.** College swimmers are not required to participate in team fundraising activities and the customary $25.00 TIDE Registration Fee is waived. Parents of college swimmers who have no other children swimming for TIDE are also exempt from participation in team fundraising activities.

Dues are equal to ¼ the yearly fee for the level of training selected by the swimmer. **Membership at the YMCA may be required.** Different levels have different attendance and meet requirements. By signing below, the applicant agrees to attend the required number of practice sessions and meets for the level of training selected.

Level of training selected: _____

Annual Dues: _____

College Swimmer Dues (multiply above figure by 0.25): _____

Dues may be paid in three installments, but must be paid in full by July 15th

I agree to attend the required number of training sessions and meets and I agree to train with the group at the level expected by the lead coach.
